

Bennett Architectural Quality Policy

Quality Policy

Our ambition is to be the specialist aluminium/structural glass contractor of choice within our industry sector, and to our chosen customer base.

We will achieve this by

- Focusing on a strategy of designing and delivering architectural solutions which meet customer expectations
- Creating an environment of technical excellence and a culture of continual improvement using ISO 9001:2015 and Investors in People to achieve this
- Focusing on raising standards and reducing costs
- Continually monitoring business resources to enable the achievement of customer requirements
- Recognising that our positive approach to the continual improvement of the Quality System is paramount to our success
- Rigorously monitoring performance on every project we undertake
- Our commitment to continually improve the effectiveness of our Quality Management System.

By achieving these goals, we become the Customers supplier of choice.
